# Henry Schein® International Academy

# WHO WE ARE AND WHERE WE ARE

### The Henry Schein International Academy

was created with the aim of supporting dentists in expanding their knowledge and skills, promoting medical and dental excellence and expanding the use of new technologies.

Support the clinicians and the team in the clinical disciplines, but also develop their skills in marketing, communication and team building.

Our training center was created to offer participants a functional and advanced learning experience.

### Create your own tailor-made course!

Moments of study, hands-on, fun and relax in a beautiful atmosphere, encouraging constructive discussions that can develop skills and team spirit!

We are located in a beautiful location in the middle of the hills, just 50' from the Bologna Airport and 40' from the Adriatic Sea.

Some of the most beautiful Italian cities are easily reachable in a couple of hours by car or train (Verona, Venice, Florence, Milan, Rome...).

Learn and Enjoy with the Henry Schein International Academy... We take care of everything.

# **OUR LOCATION**

### > Congress Center:

- 130 Seats Auditorium
- 40 Seats Room with desks or Theater-Style
- 15 Seats Theater-Style Room
- 2 Practice Rooms with Micromotors and Simulators (17+17 Workstations)
- 1 Dental Office for Live Demo and Live Surgery
- > Guest House with 11 Double Rooms
- > Canteen
- > Garden
- > Swimming Pool
- > Football Field

# THE CONGRESS **CENTER**

The Congress Center can accommodate up to 200 people.

The different type of modular rooms, designed to allow maximum organizational flexibility, are illuminated with natural light, perfectly dark and equipped with the most modern audio video technologies:

- 130 Seats Auditorium
- 40 Seats Room with desks
- 16 Seats Theater-Style room
- Reception, Foyer, Bar for coffee breaks.

# THE GUESTHOUSE

A cozy and comfortable Guesthouse, an ancient farmhouse available for speakers and guests for dinners and overnight stays.

It includes 11 double rooms, kitchen, living room, veranda and a large garden to enjoy your relaxing moments together with the pleasure of conviviality and the tasty and authentic flavors of traditional cuisine from Romagna.

The ideal place to organize your aperitives and dinners!

## THE CANTEEN

The advantage of having a private canteen represents a plus for the course's organization.

The guests don't have to move out from the facility and they can spend their time relaxing in our garden or in our swimming pool, enjoying the great quality of Italian food prepared by our Chefs.

# THE HEADQUARTERS

# **TRAINING ROOMS**

2 renewed training rooms for hands-on, 34 workstations with all Hi-Tech equipment, simulators, micromotors, laser, scanner, microscope, 3D printer and interconnection with other location with the possibility of having more groups of clinicians following the same course from different geographical locations.

New led-lighting system with integrated **professional camera** available for teacher.

# **TRAINING ROOMS**

34 monitors in each working station to follow the hands-on of the teacher or make connection with our Surgical Area in order to follow live demo and live surgery.

Possibility of interaction with the e-learning platform for additional **contents**, tutorials and record the lessons.

1 Surgical Dental Area with an A-dec 500 operating unit, scanner and digital system for radiographic images directly connected to all training rooms in order to organize live surgery during courses.
